Multi-Tiered Systems of Support

6

Learning Occurs in Mixed Ability and Targeted Environments

Whole-Class Mixed Ability Learning Experiences Through Differentiation

How do we provide all students with access to rigorous, grade-level content?

Targeted Individualized Support Through Adaptive and Differentiated Approaches

How do we meet students where they are for just-right support?

7

HMH Personalized Path

This K-8 solution delivers personalized instruction and adaptive, independent practice for students across all achievement levels—from intensive intervention to advanced (Tiers 1, 2, and 3)—in a single solution.

Accurate assessment

Adaptive practice

Intensive intervention

Continuous student growth

Picture It – SELS Planning Meeting – October, 2025

- SELS 2026 will succeed if we make it succeed!
- We need to hear from you about your best experiences from the past few days so that we can use them in our marketing materials.

11

Who Did You Visit?

- Relationships are currency
- While all of us get to go home, we have full time staff who work in Washington, DC
- Our team needs to know what you talked about and who you spoke with so that they can connect to teams here in DC if needed.

12

Who Did You Visit?

- <https://tinyurl.com/sels2025>
- Log all of your visits - one person per team!
- Add notes in columns J and K, and indicate if follow up is needed in column.

13

Send a Thank You!

Making the Most of Your Energy from Yesterday!

14

Let's Send a Thank You!

- Thank you notes serve multiple purposes:
 - Thank the staffer and Member of Congress
 - Get our issues into the inbox
 - Connect for the longer haul

15

Let's Send a Thank You!

- Two Thank You Notes Available
- **Thank you note 1** is to connect you and your team with that office.
- **Thank you note 2** is to connect that office with our professional staff.
